Herunterladen A: The problem seems to be that you downloaded an installer file instead of the actual.exe file. Depending on your antivirus, you might have flagged the file as being malicious. If so, your AV may have removed it from the quarantine folder. You'll need to locate and open the exe file. Using windows, open a command prompt and run the command where the file should be (i.e. C:\Program Files\Inventor Software\Inventor LT 2014\InventorLT2014\vbs files\InventorLT32.exe on Windows 7). product called the 'DM Certificates'. DM stands for Digital Machine. A DM Certificate is a certificate that is generated on a magnetic card that is inserted into a hand held magnetic card reader / printer and is the result of a digital signature. The certificate is then imprinted on a card that can be printed and mailed. A DM Certificate is a very cool and useful marketing tool that will help your business to greatly increase online sales. How does a DM Certificate work? Using the patented Digital Marketing Machine (DM Mfg) and its' unique patent pending digital signature technology, a DM Certificate is securely created with one of our factory's. Once the DM Certificate is created the certificate is then mailed to the recipient. Once the certificate is received it is sold and the money is transferred to the mailer's e-check account. Once the DM Certificate is sold, you can collect your monthly, quarterly or annual profit from your own check account. DM Certificates produce 5 times the amount of returns as the average standard business mailing program. The DM Certificate can also be used as a marketing tool to send your DM certificate to your direct referral, customer, or newsletter, and your DM Certificate can be used as a branding tool to add your DM Certificate to your business signage, advertising, and marketing collateral. DM Certificate Return Rates When the cards are returned as "undeliverable" a DM Certificate will be refunded to you. DM Return Rates When you set your return rate we will still make an attempt to contact you if the card was returned to us. If your DM Return Rate is set to "100%" we will still make an attempt to contact you. DM return rates can be found and set from your
